

# SAINT MARY'S LABORATORY LOCATIONS

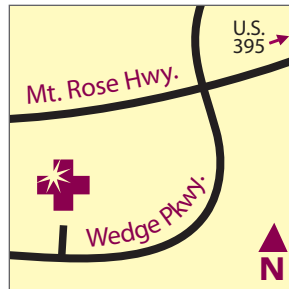

## Why Choose a Saint Mary's Lab?

Saint Mary's laboratories are accredited by the College of American Pathologists and are fully licensed by state and federal regulatory agencies.

Our state-of-the-art analyzers provide accurate and rapid results, which are relayed to your health care provider quickly and conveniently.

Our primary specialties include chemistry, coagulation, hematology, microbiology, serology, transfusion services, urinalysis and laboratory information services.
