-Health and Wellness Education and Giveaways Available-

RENO, Nev. – On Saturday, May 8, Saint Mary's Urgent Care at Ion Drive will celebrate the grand opening of the new facility from 9 a.m. to 2 p.m. The grand opening event will include free health screenings including blood pressure checks, body fat testing, nutrition and fitness education, coupons for lab test discounts and more. Attendees will have a chance to win raffle drawings for a free month-long pass and individual day passes to Saint Mary's Center for Health and Fitness in addition to giveaways throughout the day.

Located at 5070 Ion Drive, Suite 100, Saint Mary's Urgent Care regular hours of operation are Monday through Friday from 8 a.m. to 8 p.m. and Saturday and Sunday 9 a.m. to 5 p.m.

An urgent care center is a convenient and cost-effective way to treat unexpected health problems outside of a primary care doctor's office hours. Physicians can treat patients quicker at an urgent care center than an emergency room, while still providing patients with quality care. Urgent care symptoms include: moderate fever; colds, cough or flu; minor burns; eye, ear, and skin infections; respiratory infections; bruises, abrasions and minor cuts; minor accidents that are not life-threatening.

The new Saint Mary's Urgent facility will celebrate its grand opening on Saturday, May 8. For an appointment time and other questions call 775-354-0200 or visit www.ouchisclose.com.
